                                                     Hello, everyone. We apologize but to accommodate LAPO's schedule, we need to move the posting/cleanup along Ballona Creek from the 405 Fwy to Pacific Avenue from 5/7/10 to 5/8/10. It is possible for this cleanup to last 2 days
                                                                                                           lst Posting: 4/24/19
2nd Posting: 5/1/19
Cleanup: 5/8/19
                                                                          ate on the cleanup along Ballona Creek from Overland to 485 freeway
                                                         All areas along this channel segment were cleared except for under the Sepulveda Bridge, due to an individual who refused to leave. Culver City PD informed our crew that they could not make/force this individual to leave. Our contractor will not clear areas where there are individuals on site

Subject: BALLOWA CREEK PEH
                                                                  Also, on today's cleanup along Ballona Creek from Overland to 485 freeway, there was an individual under Sepulveda bridge that refused to leave. Colver City PO explained to my Crew Leader (Mr. Bowen) that they could not make/force this individual to leave. They cleared the other area's and left site
                                                                  Contractor did not clean up under Sepulveda.
